Dear Parents/Guardians,

As the cold weather has settled in, we wanted to take this opportunity to remind you to please have boots, snow pants, hats, gloves, and all other cold weather gear at school for recess time.

Also, the morning temperatures for tomorrow and the next few days look to be in the very low single digits, some even negatives. If your child walks to school, please be sure they are dressed warm enough and not coming to the building before 7:45. This may be a nice opportunity to drive your child into school to beat the cold. If your child is waiting for the bus, please be sure they are dressed warm enough to wait outside if there isn't a place indoors to wait.

As always, if you have any questions or concerns, please do not hesitate to reach out.

Kind regards,
