Good afternoon Andes Central School Families,

As school district leaders and legislators have been diligently working throughout the summer to voice our concerns and advocate for our CROP funding for this coming school year, we were informed that the federal government has released grant funding for the fiscal year 2025-2026.

This means that we will be hosting our after-school CROP program for the 2025-2026 school year as we've done in the past.

We value the partnership with our community and families and know how truly important this program is for everyone.

If you have any questions, please feel free to contact the school. Enjoy the rest of your summer and we look forward to another great year here at Andes Central School.

Sincerely,

A handwritten signature in blue ink, appearing to read "Samantha Candreva", with a long, sweeping horizontal line extending to the right.
