The courses chosen on this sheet are initial course requests for next school year. I understand that the initial requests may change by the time schedules are finalized. The next steps in the scheduling process are completing this form, reviewing my choices with my parents/guardians and teachers, and returning it to my counselor by Friday 1/30/26. Individual student scheduling meetings will occur throughout the month of February with the counselors. Parents are invited to attend the meeting with your student by any means available: phone, google meet, or in person.
