

ALTERNATE BUS TRANSPORTATION ARRANGEMENT

Your child is assigned to the bus stop closest to your residence. All transportation is automatically determined to be to and from their primary residence. If your child needs to be transported to and/or from a babysitter's residence, a day care facility, or a joint custody arrangement address, the request must be in writing. Please use the form on the reverse of this page to request alternate bus arrangements. These arrangements normally take 5 business days to begin. Transportation can only be provided to the daycare facilities listed for your school.

Alternate transportation arrangements are made available as a courtesy. These arrangements must be for 5 days per week and are only permissible when there is room on the bus. (Policy 3541.1)

Below is a list of day care busing availability for each school:
