

2024-2025 Norwayne Community SKI CLUB.

Dear Parents and Students, Norwayne Community Ski Club is now in the process of forming for the 2024-2025 season. Ski Club is open to all Norwayne students (past and present), their families, and friends – even if you have never skied or snowboarded before! Ski Club offers a great opportunity for students to learn a lifelong sport while improving coordination and physical endurance. While Ski Club is ALL about the fun and excitement of hitting the slopes, we need to cover the basics of registration before the snow arrives so that you can maximize your enjoyment during the upcoming season.
