SCHOOL PICTURES

Pictures will be taken at the Middle School on Tuesday, September 24, 2024. Picture packets will be sent home or you can order online at www.martysstudio.com.

7TH GRADE IMMUNIZATIONS

The Ohio Department of Health requires that all students entering the 7th grade need to have a **Tdap booster** and **Meningococcal (MCV4)**. This vaccination can be given by your family doctor or the Wayne County Health Department. Please call the Health Department at 330-264-9590 for immunization clinic information. The school needs to receive documentation that this booster has been given A.S.A.P. If you have any questions concerning this matter please contact the school office.

We have Final Forms for the 2024-25 School Year. This system will replace our need to copy and send home yearly packet of paperwork for all your children. If you did not receive an email to set up your account you can go to: <https://norwayne-oh.finalforms.com/> and register for an account. Once you have an account you may begin to fill in the needed information and forms. Like any initial set-up, the first time will take the longest. Some of the forms may already be auto-filled for you since your information is in our current system. You will just need to verify the current information and add any additional information you wish to. Thanks for your understanding with this new process.

If you do not have a computer to access Final Forms, please call the middle school at 330-435-1195.
