

FORT CHERRY RANGERS

FOOTBALL TEAM RECOGNITION

Join the Washington Wild Things and the Fort Cherry Rangers football team as we celebrate and honor the 2023 squad on the Rangers' achievements as 1A Black Hills Conference Champs, 1A WPIAL Champions and PIAA finalist at Wild Things Park, prior to Washington's game against the Evansville Otters. Half of the ticket proceeds under the umbrella of the team recognition will be donated back to the Fort Cherry Football Boosters. Come out, bring your family and friends and have some fun in support of the boosters, the team and community as we celebrate the storybook season the boys had! Ticket links will be distributed in April for you to purchase tickets to the game.

The team will be honored in a pregame ceremony, ceremonial first pitches will be thrown out and football players/staff will participate in in-game promotions throughout the evening. You won't want to miss it!
