Raising Responsible Teenagers is a **Triple P** seminar that will help you understand what makes your young teen (age 10 to 16) tick! The event will offer new ideas to encourage your teenager to make good decisions, be respectful and considerate, and be involved in family life.

Triple P is a research-based, internationally-recognized, multilevel parent support program funded by Licking Memorial Health Systems and supported by Mental Health and Recovery of Licking and Knox Counties and Our Futures in Licking County.

96 percent of parents who have tried some of the **Triple P** strategies have seen an improvement in their child's behavior!
