Johnstown Schools Salute Veterans

Nov. 11 was a day for all Johnstown School buildings and the Johnstown-Monroe Board of Education to proudly honor our nation's Armed Forces veterans. Video highlights of individual tributes may be seen at: [Johnstown Elementary](#); [Johnstown Intermediate](#); [Johnstown Middle & High School](#); [Board of Education Meeting](#).

A November to Remember

The past several weeks were remarkably busy, with building Halloween Celebrations, community events honoring our veterans, the naming of the giant Intel Crane by our Intermediate School students, sold-out run of Varsity Shows by our Big Red Band, and award- and record-setting seasons by our athletes and teams.

As we prepare for Thanksgiving break, please enjoy these memories of our Johnstown-Monroe accomplishments. I encourage you to savor your time with family and friends and have a very safe and happy Thanksgiving, 2024!

AROUND OUR DISTRICT

IN THE NEWS

Congratulations to Johnstown Elementary School's Mrs. Annie Britton, who was spotlighted in the November 25 edition of the Newark Advocate's popular "Aces of Trades" feature. [Subscriber Link](#)

Future Skills

Johnstown Middle School students spent Monday, November 25 confronting the concept of "Real Money, Real World," in an annual exercise organized by Karen Roby, JMS Family and Consumer Sciences Instructor. Thank you to all of the community volunteers who donated time and expertise to help educate our students about future financial responsibilities. [Video Highlights!](#)

Students Name The Crane!

Johnstown Intermediate School hosted Intel and area media for a special Oct. event to announce the name created by JIS students for one of the world's largest cranes which is now at Intel's Ohio One site within the Johnstown-Monroe Local School District! See these video highlights of the event, as well as special additional STEAM learning events provided JIS students by Intel!

Staff responds to power outage

A special thank you to all of our Intermediate and Middle School staff members and administrators who quickly responded to ensure student safety during a recent widespread electrical failure resulting in an early dismissal. Staff members served as crossing guards at major intersections because of signal outages.
