## Welcome Back!

The 2023-24 School Year seems to be flying by. It was a particularly busy February-March with testing, major District events, including our JHS STEAM Innovation Center opening, our Intel-sponsored trip to COSI for our high school students, the PTO Carnival, the stunning production of "The Little Mermaid," and outstanding achievements by our sports teams and student athletes. Last but not least, our Chorale, Symphonic, Apogee, and Concert Bands also received superior ratings and are moving on to state competition! I hope you were able to take this Spring Break to enjoy and refresh as we look forward to the remainder of this school year and graduation ceremonies for the Johnstown High School Class of 2024!

## World Down Syndrome Day

Thursday, March 21, 2024, was “World Down Syndrome Day.” At Johnstown Intermediate School, students participated in a “Rock Your Socks” campaign for Down Syndrome awareness. Learn more here: <https://www.worlddownsyndromeday.org>.

## J-M Educators Receive Recognitions

Please join me in congratulating two of our colleagues for their recent, well-deserved recognitions for their outstanding performance.

Congratulations to Johnstown Elementary School Physical Education Teacher Megan York, 2024 Licking County Foundation, “Leaders for Learning” recipient! (Video [HERE](#))

Congratulations also to Kendra Arbogast, who on March 14 was awarded the Coughlin Automotive “You Made A Difference Award.” She was nominated by JIS student Anna Hochandel. (Video [HERE](#))

## Johnstown Athletes Spotlighthed

Our athletic programs and student athletes continue to excel and set records. In recent weeks, the Johnstown-Monroe Board of Education and Johnstown City Council paid tribute to the Girls 7<sup>th</sup> & 8<sup>th</sup> Grade Basketball Teams for their LCL Championship Seasons. The 8<sup>th</sup> Grade Team finished its season 18-1.

The Johnstown-Monroe Board of Education also saluted Abigail Adkins, who surpassed 1,000 career points during the season.

Cailyn Casto and Kortlynn Smith also made Johnstown-Monroe history by becoming the first J-M female wrestlers to become state qualifiers! (See video of a special clap-out event [HERE.](#))
