

# SUPERINTENDENT'S TIP OF THE HAT

—March 12, 2026—

## Intel Sponsors JHS Trip to COSI

Johnstown-Monroe again extends its thanks to Intel for providing students with a fun and educational STEAM opportunity. Intel has made a tradition of sponsoring a senior class trip to COSI (The Center of Science and Industry in Columbus) on "Pi Day." This year's trip was taken on March 11, 2026. Video highlights [HERE](#).

As a reminder, Pi Day is an annual celebration of the mathematical constant, that is the ratio of a circle's circumference to its diameter.

The 2026 portion of the school year continues to move at a busy pace! Soon, significant work will begin on our District's new multi-purpose facility, located adjacent to our building at 599 S. Main St.

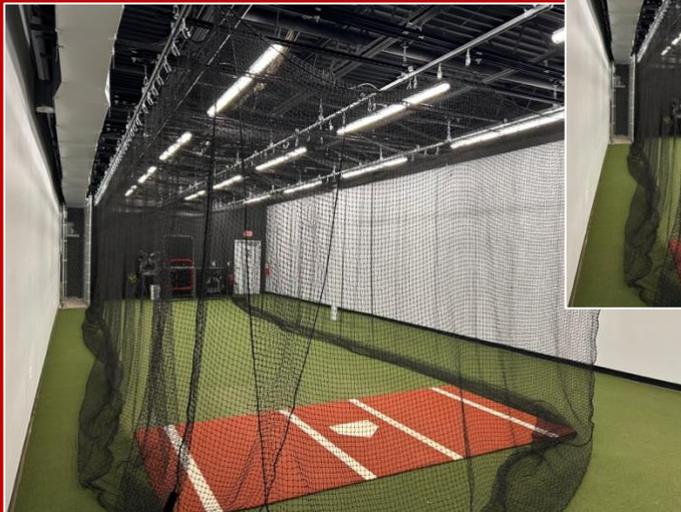

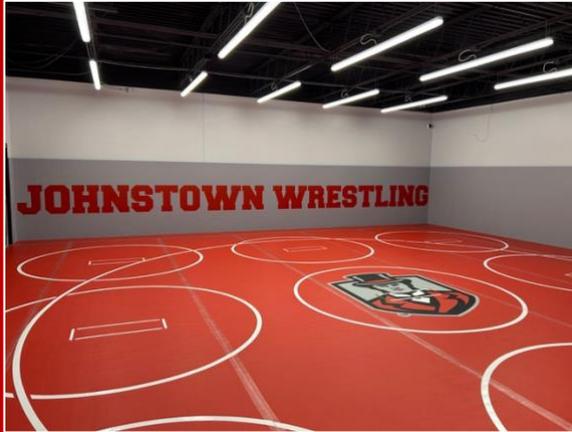

As we also prepare to graduate the Class of 2026, I know we all also welcome Spring break, which as a reminder begins on March 30, with students returning on April 7!

# Facilities Update: New practice spaces are up and running!

The conversion of former vehicle bays within 599 S. Main Street is complete, and our softball, baseball, wrestlers and cheerleaders can now use these new training spaces!

# JES Holds March Madness Picture Book Edition

Johnstown Elementary School Third Graders enjoyed a special, "March Madness Picture Book Edition" reading event, featuring the Johnstown Girls Basketball Team on Feb. 27, 2026. The players teamed up with JES students to help them pick which books they thought would win.

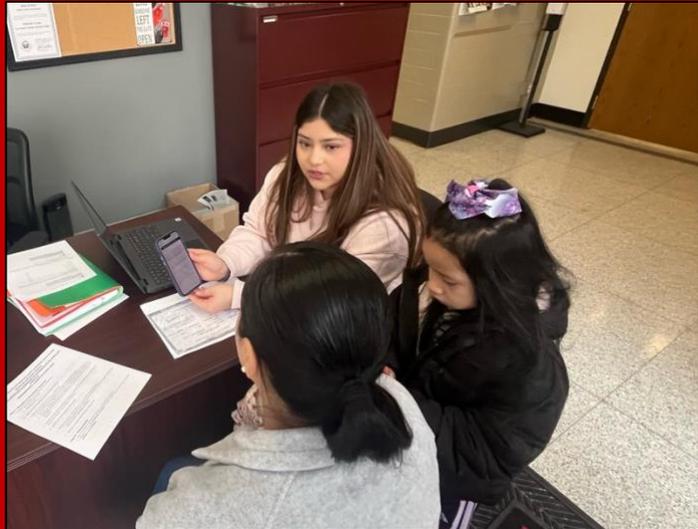

## Ohio's 223rd Birthday Celebrated

On Friday, February 27, JIS Fourth Graders celebrated Ohio's 223rd birthday. (The official birthday date is March 1, 1803.) Students enjoyed Ohio history, trivia, Ohio produced food products, music and fun. Each student received a "swag bag" filled with trinkets courtesy of Ohio-based companies. Special thanks to the staff, families and corporate donors who made it all possible.

## JHS Senior Danna Oseguera Assists Enrollment Process Via Translation Support

Many of Johnstown-Monroe's neighboring school districts have experienced increasing diversity: at Licking Heights, several dozen different languages are represented. Johnstown High School senior Danna Oseguera helped out in February, providing translations services to assist our growing number of Spanish-speaking families with their enrollment processes..

## JHS Hosts "ACT Turbo Camp"

Johnstown High School recently hosted an ACT Turbo Camp run by Michal Strawn of BWS Educational Consulting. Thirty-nine sophomores and juniors were able to participate in a 2-day intense ACT intervention camp in an effort to learn success strategies and better prepare for the ACT. Students worked with English, Math and Science strategies, engaged with practice tests and learned how to approach different questions to most effectively address questions from the different sections of the test. Students indicated that they felt the camp definitely helped them to feel more confident in the ACT test-taking skills.

# JHS Seniors Share Appreciation Speeches With Newark Rotary Club

JHS seniors Audrey McCrady and Abigail Smith recently shared their appreciation speeches with the Newark Rotary Club at its Feb. 24 meeting. The students were accompanied by Johnstown High School's Lori Wycuff, who also supplied these photos. In the bottom left photo, Audrey and Abigail are pictured with Park National Bank's Melissa Hallmark.
