Remote Instruction Expectations and Schedule

Dear Freedom Area Middle School Families,

This letter is to share expectations for any remote instruction day that we may have this year. Students will follow the schedule outlined below. At the start of each class period, students are expected to log into a Google Meet through their teacher's Google Classroom.

Teachers will take attendance and provide instruction, directions, and support during each period. Students should be prepared, on time, and actively engaged throughout the day. Assignments given during remote instruction count as regular schoolwork and are expected to be completed as directed by teachers.

Thank you for your continued support in helping make remote instruction productive and successful. If you have any questions, please feel free to contact the school.

Sincerely,

Jeff Griffith
