Fax: 724.775.3672

Dear Freedom Elementary Families,

As winter weather becomes more frequent, we would like to remind families of our procedures for Remote Learning/FID days. Remote Learning occurs when school is closed due to inclement weather, but students complete instructional work at home and still receive credit for the school day.

At Freedom Area Elementary School, Remote Learning work is completed using instructional packets. These packets have already been sent home by your child's teacher. Each packet contains assignments for up to five Flexible Instruction Days. On a Remote Learning day, students are only expected to complete the work for one day. For example, students should complete "Day 1" on the first remote day, "Day 2" on the second remote day, and so on.

Your child's teacher will remain available to support students and families during Remote Learning Days and will communicate with you via email when one is announced. Please do not hesitate to reach out to your child's teacher with any questions or concerns.

Completed remote work should be returned to your child's teacher when school resumes.

Thank you for your continued support and partnership.

Thank you,

William Deal
Interim Elementary Principal
