The children are the focus...working together is the method.

Dear Fort Cherry Parents and Guardians,

I hope you are all enjoying a wonderful summer!

To help streamline communication for the 2026–2027 school year and reduce the need for multiple mailings, I am sending this packet containing all of the health-related information and forms you may need throughout the year.

This packet includes:

- Physical exam form (not required to be returned except in 11th grade—see paper about school physicals)
- Information regarding school physicals
- Information regarding school dental exams
- Standing order medication permission form
- Vaccine requirement information
- Medical condition update form

Please note that some of these forms may not apply to your child. We kindly ask that any required forms be completed and returned as promptly as possible, and at the latest by the first day of school.

I look forward to a successful, healthy, and productive school year. Thank you for your time and cooperation!

Warm regards,

Katie Dunleavy, BSN, RN, CSN
