Hello Parents and Guardians!

Welcome back to E.P.C.S.! I hope you had a wonderful and relaxing summer. I am so excited to begin a new school year and, after taking last year off to spend time with my son, I am especially grateful and excited to be returning to the classroom!

My name is Elizabeth Lucyk, and I am your child's Specialized Instruction Teacher. This will be my 12th year teaching at E.P.C.S., and I am thrilled to be back and embark on another year of learning, growing, and making memories with our students. While I truly treasured the extra time I was able to spend at home with my baby, I have missed my students, my colleagues, and the joy that comes with being a teacher.

As we begin this new academic year, my priority is to create a positive, inclusive, and supportive learning environment where every student feels valued, respected, and confident in their abilities. I believe that each child brings unique strengths, talents, and experiences to the classroom, and I look forward to getting to know your child and helping them grow both academically and personally.

I also believe that strong communication between school and home is an important part of a successful school year. Please never hesitate to reach out with questions, concerns, or anything you feel would be helpful for me to know about your child. I look forward to working together as a team to support your child and make this a happy, successful, and meaningful year.

I am so happy to be back and cannot wait to meet you and your child! Here's to a wonderful school year filled with learning, growth, and lots of smiles. I look forward to all that this year has in store!

Warmly,
Mrs. Lucyk
