Dear EPCS Families,

Hello Middle School Parents! I hope that everyone is having a fun, safe, and relaxing summer break. I am so excited to see everyone in September.

My name is Mrs. Chouchan Karalian and I will be your child's English Language Arts Teacher as well as their homeroom teacher. I have been teaching for 21 years, six of which have been here at EPCS. I graduated from William Paterson University and hold a Bachelor of Arts Degree in English Literature. I am highly qualified in Reading Literature.

I know change can be a scary thing and starting middle school falls under that category. My goal is to begin this school year in a way that leaves your child feeling excited and comfortable. I would like to extend to you my deepest thanks for entrusting me with your child's safety and education. I work very hard to provide each one of your children with a loving and structured environment as they start their new school year.

I am a firm believer of rules in a classroom and my classroom reflects that structure and expectations. I have no doubt that your children will thrive in an environment that is structured and engaging.

If they haven't done so already, make sure your child goes to the EPCS website to find the summer assignment for their grade level.

I look forward to meeting and working with all of you this year! Please let me know if you have any questions or concerns. My email address is chouchan.karalian@englewoodcharter.org

Thank you and hope you have a great rest of the summer.

Sincerely,
Mrs. Chouchan Karalian
Middle School ELA Teacher
