Dear Kindergarten Families,

Welcome to the 2026–2027 school year at **EPCS**! I am thrilled to be your child's kindergarten teacher and to begin this exciting journey together. Kindergarten is a time of incredible growth and I feel honored to play a part in your child's learning and development.

In our classroom, we will create a safe, nurturing, and engaging environment where every child feels valued and encouraged to explore, ask questions, and discover the joy of learning. Throughout the year, we will build foundational skills in literacy, math, science, and social studies, all while fostering creativity, independence, and collaboration.

Communication and partnership with families are key to a successful school year. To keep you informed and involved, we will be using **ClassDojo** and **TalkingPoints** as our main communication platforms. Both will be used to share class updates, student progress, and important announcements.

You will get to know me more throughout the year but to share, this is my third year at EPCS. I completed M.Ed. in Special Education at Ramapo College.

I hope that your child has made reading and math practice a daily routine during the summer. Your child was provided with a summer reading packet to be completed and handed in during the first week of school. If you did not receive it is available on our website.

Please make sure that all your child's school supplies are labeled with their name. Also, it is very important that you label your child's uniform, book bag, and lunch bag. Please provide your child with a lunch and a healthy snack starting on the first day of school. In kindergarten we eat a snack in the afternoon so please make sure that your child eats a good breakfast everyday. We are a nut free school so please do not send anything with nuts.

Please feel free to reach out with any questions, concerns, or insights about your child. I'm looking forward to a wonderful year filled with laughter, learning, and growth!

Warm regards,
Miss Carter
Kindergarten Teacher
