Dear EPCS Families,

Welcome to Fourth Grade!

We are so excited to begin a school year filled with fun, discovery, and exciting learning opportunities. Your children will grow so much this year—academically, socially, and as members of our school community. We can't wait to meet all of you on our first day of school: Wednesday, September 2nd, 2026. Get ready for a fantastic year ahead!

Fourth Grade Community of Learners

We are excited to welcome your children to a year filled with growth, learning, and community-building! This year, we are not only focused on creating strong classroom communities, but we're also committed to fostering a sense of unity across the entire fourth-grade level. We believe that by working together, our students will benefit from a collaborative and supportive environment.

We're also excited to share that fourth grade will be departmentalizing during the 2026–2027 academic year. This means that students will receive instruction from both fourth-grade teachers, allowing us to teach the subjects we are most passionate and experienced in. As a fourth-grade teaching team, we will use our combined expertise to support every student's success. We look forward to a wonderful year of learning and teamwork!

Warmly,
Mrs. Cibischino and Mrs. Stephens

Mrs. Cibischino: Welcome to the 2026–2027 school year! I am so excited to see you and begin this journey together as your 4th grade math teacher. This year, we'll be exploring multiplication and division, fractions, geometry, and so much more. I hold a Master's Degree in Education. I am passionate about creating a positive, engaging classroom where all students can learn, grow, and succeed. I can't wait to see all the amazing things you will accomplish this year. Looking forward to a fantastic year together!

Mrs. Stephens: I am excited to meet you and thrilled to be your Reading teacher this year! We are going to have an amazing time together as we explore the world of books and stories. You will grow as readers by diving into exciting novels, discovering interesting short stories, and sharing your thoughts and ideas. You will have many opportunities to express your creativity through writing. Our classroom will be a place where everyone feels welcome, respected, and encouraged to try their best. I am so excited to watch you grow, learn, and succeed this year.

Classroom Supplies

Please send the following items with your child on the first day of school. Be sure to label all supplies with your child's name or initials.

Required Items

- Pencil case
