

Dear EPCS Parents,

My name is Daniela Lantigua, and I will be your child's Second Grade teacher this year. I'm a first-year teacher here at EPCS, and I am very excited to get to know everyone this upcoming year! We're going to have lots of fun learning new things and being creative. I hope you had an awesome summer, and I can't wait to hear all about it on our first day of school.

Although this is my first year teaching at EPCS, I have five years of experience working in schools with students in kindergarten through fourth grade. My teaching goal is to create a safe and welcoming classroom where all students feel supported. I'm happy to be part of EPCS, and I'm committed to helping every student grow and succeed in an engaging environment.

I'm looking forward to getting to know you and your child. We'll work together to make this year a positive and rewarding one. I'm excited to meet everyone and start our second-grade journey! I can't wait to see what we can accomplish together.

Warm regards,
Daniela Lantigua
