TO ALL PTA AND BOOSTER GROUPS:

Each year at this time, liability coverage for the upcoming school year is offered to your group through your association with South-Western City School District. This coverage, which is effective July 1, 2022 through June 30, 2023, includes only those named as officers, and who act in relation to their respective PTA or booster club activity. This policy **does not cover health claims**; it is simply an **Educational General Liability Policy** to cover groups in case of a lawsuit in which your group is named the responsible party in a court action.

The cost to your group remains at \$70.00 for \$1,000,000 per occurrence, or a maximum of \$3,000,000 per year. This is very inexpensive insurance and I would highly recommend it to any group. In order to participate, a check in the amount of \$70.00 made payable to **South-Western City School District** should be sent as follows:

South-Western City Schools
Attn: Lisa Myers
3805 Marlane Dr.
Grove City, OH 43123

Please remit payment by September 30, 2022.

If you have any questions, please call the undersigned at 801-3047.

Sincerely,
