

# SWCSD PTA Student Impact Award

Do you have a student who has gone above and beyond to help your PTA unit? The ones who tirelessly help with dances, volunteer to sort fundraising products, or some who may even serve as a chair or delegate in your unit?

### Let's recognize them!

The SWCSD PTA council is rolling out a student recognition program called the **Student Impact Award**. This accolade is awarded to students who have gone to great lengths in supporting PTA programming through volunteerism, advocacy and leadership.

Additionally, they should uphold the PTA values and generally act as that value-added component of PTA in schools that we all strive for.

Please email this form to [mickijyoung@Hotmail.com](mailto:mickijyoung@Hotmail.com) by **March 31**, so that we may invite the students to the court of awards in April. PLEASE also take the opportunity to recognize students from your unit. A certificate along with a thank you note or small gift card, sent to their school, is a great option, and will no doubt be well-received.
